

# **My Five Senses**

## **The Sense of Touch**

### **Hard - Soft**

This week, we will talk about our Five Senses. A simple, fun craft regarding the sense of touch is a “yarn stick doll” as shown in this photo. This is an easy way to demonstrate the difference between hard and soft. Ask your child to go on an I Spy Hard and I Spy Soft this evening! It’s so much fun!

Cheers, Ms. Kim ☺
