

Astronaut Toilet Paper Roll Craft

contributed by [Leanne Guenther](#)

Materials:

The craft is made with a

- toilet paper tube
- a printer
- a piece of paper
- some crayons
- scissors
- and glue.

Instructions:

- Print out the template of choice.
- Color (where appropriate) and cut out the template pieces.
- Glue the large rectangular piece on first to cover the tube.
- Glue the thin strip around the middle as a belt
- Glue the oxygen tank onto the back
- Glue on the head, arms, and boots.

Templates:

- Close the template window after printing to return to this screen.
- Set page margins to zero if you have trouble fitting the template on one page (FILE, PAGE SETUP or FILE, PRINTER SETUP in most browsers).
